NEWS RELEASE

NEW EQUIPMENT

Tessier Ltd is proud to announce the addition of a brand new crane with a lifting capacity of 300 tons to its ever expanding fleet. This lattice boom crawler crane Link-Belt model 348 Hylab 5 is equipped with the latest technology and offers outstanding lift capacities in the 275-300 ton class with easy transportability and assembly.

This reflects Tessier Ltd's continued commitment to innovate in order to offer efficient services to meet the needs of its present and future clientele.

Our representatives will be happy to provide more information.
